### **PUC CONSIDERS ADDING ITEM TO OCTOBER 24 MEETING**

The California Public Utilities Commission (PUC) will consider adding the following item to the Executive Session Agenda for Oct. 24, 2002: Conference with Legal Counsel – Existing Litigation, Western Area Power Administration, FERC Docket Nos. ER02-1672-000 et al. (Gov. Code Sec. 11125.3(a)(2) and 11126(e)(2)(A)).

The purpose of adding this item is to discuss an order of the Federal Energy Regulatory Commission (FERC) denying an application for rehearing that the Commission filed, and for which any appeal must be noticed prior to the next PUC meeting of Nov. 7, 2002.

This notice is issued pursuant to Government Code § 11125.3(a)(2), which empowers the Commission to add late items to its public agenda: where “there exists a need to take immediate action and the need for immediate action came to the attention of the state body subsequent to the agenda being posted . . .”
