* Consolidation of Utility Identification Numbers

If you, a single entity, have been assigned more than one utility identification number, TD encourages you to consolidate these numbers into one. - Surviving Legal Name and Utility Identification Number
- Disappearing Legal Name(s) and Utility Identification Number(s)

* Cancellation of Authority

If you no longer conduct business and have no customers in California, you may initiate a cancellation of authority by filing an Advice Letter with the Commission and providing the following information:

- Legal Name and Utility Identification Number,
- Date that operations ceased, and
- A copy of last Transmittal form and Fee Statement for PUC Utilities Reimbursement Account

I, _____, hereby certify that I am an authorized representative of the above carrier, and to the best of my knowledge and belief the above information is true, accurate, and correct.
