

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

Application of Wild Goose Storage, Inc., for Review under Public Utilities Code Section 851 *et seq.* of the Transfer of Indirect Control of Wild Goose Storage, Inc., to Encana Corporation or, in the Alternative, Request for Declaratory Order

Application 02-09-006
(Filed September 3 2002)

**ADMINISTRATIVE LAW JUDGE'S RULING
REQUIRING SUPPLEMENTAL INFORMATION
ON INTENDED OPERATIONS**

This Application seeks authority for an indirect change of control of Wild Goose Storage, Inc. (Wild Goose), a natural gas storage provider subject to the regulatory jurisdiction of the Commission. On April 5, 2002, the Court of Queen's Bench in Canada approved the merger of Wild Goose's parent, Alberta Energy Company, Ltd. (AEC) and PanCanadian Energy Corp. (PanCanadian). Shortly after the AEC/PanCanadian merger, the resulting company was renamed EnCana Corporation (EnCana).

In Decision (D.) 02-07-036, the Commission reviewed and approved Wild Goose's expansion project. The purpose of this ruling is to ascertain whether EnCana intends to make any changes to Wild Goose's facilities or in its operations, which were not approved in D. 02-07-036 and which are not discussed in this application, but which could have potential effects on the environment. Any such changes subject to the discretionary review of the Commission would require additional review under the California Environmental Quality Act (CEQA) and CEQA Guidelines.

Therefore, in order to supplement the record, Wild Goose is directed to respond to the inquiry attached to this ruling. The response shall be titled "Supplemental Information on Intended Operations," shall be verified by appropriate affidavit or declaration under penalty of perjury, and shall be filed in this proceeding on or before February 28, 2003.

IT IS RULED that:

1. As discussed herein, Wild Goose Storage, Inc. is directed to supplement the record on intended operations by responding to the inquiry attached to this ruling.

2. The response shall be entitled "Supplemental Information on Intended Operations," shall be verified by appropriate affidavit or declaration under penalty of perjury, and shall be filed in this proceeding on or before February 28, 2003.

Dated February 7, 2003, at San Francisco, California.
