

**BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA**

Order Instituting Rulemaking on policies and practices for the Commission's transmission assessment process.

Rulemaking 04-01-026  
(Filed January 22, 2004)

**ADMINISTRATIVE LAW JUDGE'S RULING  
(1) REQUIRING CORRECTION OF SERVICE LIST AND (2) AUTHORIZING  
INTERVENTION OF COUNTY OF LOS ANGELES**

**Correction of Service List**

Attachment A to this ruling is a copy of the service list for this proceeding, as last updated on April 16, 2004. The service list also is available on the Commission's website and can be located at the following link: [http://www.cpuc.ca.gov/published/service\\_lists/R0401026\\_60927.htm](http://www.cpuc.ca.gov/published/service_lists/R0401026_60927.htm). In keeping with standard Commission practice, the list contains three categories: "Appearance"; "Information Only"; and "State Service." cursory perusal of the list suggests that a number of names have been listed in the wrong category.

Service list category governs participation rights, including the right to file pleadings (including comments on proposed or draft decisions), as well as appeal rights. Therefore, it is important that those who wish full participation rights – commonly referred to as "party" status – be listed as "appearances." Those who only wish to monitor this proceeding, and do not intend (at this time) to participate actively in any way, should be listed in the "information only" category. Please note that because the OIR requires electronic service on the entire service list (all categories), those in the information only category are to

receive all filings, whether by a party or by the Commission. Finally, any person employed by the Commission, by the California Legislature or by another California state agency should be listed as “state service,” which also receive all filings.

On or before April 28, 2004, please review the service list to ascertain that your counsel or other representatives are correctly listed. Please advise me of the need for any corrections by e-mail (Vieth@cpuc.ca.gov). Generally, I will permit an “appearance” to list no more than two names, but I will entertain requests for exceptions, particularly where the individuals are located in geographically disparate areas.

**Request to Intervene by Los Angeles**

Pursuant to Rule 53 of the Commission’s Rules of Practice and Procedure, the County of Los Angeles requests leave to intervene in this proceeding as an interested party. Good cause appearing, I will grant the motion, under the authority of Rule 45(h).

**IT IS RULED** that:

1. On or before April 28, 2004, any who detect that their counsel or other representatives have been listed incorrectly on the official service list for this proceeding shall contact me by e-mail and advise me of the error and the correction sought.

2. The April 20, 2004 motion of the County of Los Angeles to intervene is granted. The two representatives designated in the County’s motion shall be listed as in the “appearance” category of the service list.

Dated April 21, 2004, at San Francisco, California.
