

**BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA**

Application of Planet Telesis, Inc. for a Certificate of Public Convenience and Necessity to Provide Limited Facilities-Based and Resold Local Exchange Services in California.

Application 04-05-027  
(Filed May 17, 2004)

**ADMINISTRATIVE LAW JUDGE'S RULING DIRECTING  
COMMISSION DOCKET OFFICE TO FILE SUPPLEMENTAL  
FINANCIAL INFORMATION PROVIDED BY APPLICATION**

On May 17, 2004, Planet Telesis, Inc. (Applicant) filed an application for a certificate of public convenience and necessity (CPCN) for authority to provide limited facilities-based and resold local exchange telecommunications services in this state.

Upon review of the application, I subsequently directed Applicant to provide additional information to show that Applicant meets Commission financial requirements for the issuance of a CPCN and to file this information with the Docket Office as a supplemental filing. On May 16, 2005, Applicant faxed me a letter from Citibank that verifies that Applicant meets the applicable financial requirements. However, to date, due to various problems, Applicant has been unable to make a formal supplemental filing with the Docket Office.

Since Applicant appears to qualify for the issuance of a CPCN, it is in the public interest to assist the applicant in his efforts to comply with the Commission's formal filing rules, as that will allow the Commission to consider the merits of the application expeditiously.

Therefore, **IT IS RULED** that the Commission Docket Office shall file the attached letter from Citibank, dated, May 13, 2005, regarding applicant's financial qualifications for a CPCN, in this docket.

Dated August 30, 2005, at San Francisco, California.
