SBC Communications Inc. and AT&T Corp., for authorization to transfer control of AT&T Communications of California (U 5002-C), TCG Los Angeles, Inc. (U 5462-C), TCG San Diego (U 5389-C), and TCG San Francisco (U 5454-C) to SBC, which will occur indirectly as a result of the merger of AT&T with a wholly-Owned Subsidiary of SBC, Tau Merger Sub Corporation.

**Summary: LATE FILED.** On September 9, 2005, Tony F. DiStefano, Chief Executive Officer of Arrival Communications, Inc. (Arrival), met with Robert Lane, advisor to Cmmr. Bohn, in San Francisco. DiStefano observed that small business customers have fewer choices of telecommunications service providers than do either large business or residential customers. DiStefano stated that there were essentially no wholesale service options open to Arrival in the areas it serves, other than the UNEs and services offered by SBC. As conditions to the Commission's approval of the SBC-AT&T merger, DiStefano advocated price caps for the remaining UNEs, and noted that TELRIC-based pricing is

consistent with price caps. DiStefano also advocated price caps for elements that are not longer UNEs, but that SBC is obligated to continue to provide under its Section 271 obligations.
