PUBLIC MEETINGS & WORKSHOP NOTICES

Workshop Notice – R.07-05-025: Rulemaking Regarding Whether, or Subject to What Conditions, the Suspension of Direct Access May Be Lifted Consistent with Assembly Bill IX and Decision 01-09-060

<p>July 2, 2008 9:30 am</p>	<p>California Public Utilities Commission 505 Van Ness Avenue, Commission's Courtroom (Corner of Van Ness Avenue and McAllister Street) San Francisco</p>
---------------------------------	---

Pursuant to the Assigned Commissioner's and ALJ's Ruling of April 18, 2008, the California Public Utilities Commission (CPUC) will conduct this workshop for further discussion regarding the merits and manner by which DWR could pursue novation or assignment of its contracts through negotiation. This workshop shall follow up on issues discussed at the workshop on June 2, 2008, focusing on threshold constraints to be resolved before undertaking further measures to facilitate novation/assignment or renegotiation of DWR power contracts. The workshop agenda shall address: (1) expiration cut-off date for targeting DWR contracts for which novation/assignment or renegotiation should be pursued; (2) better quantification of costs/benefits of DWR contract novation/assignment; (3) prospects and conditions for contract power sellers to cooperate in the DWR contract novation/assignment or renegotiation process. (DWR should invite representatives of key contract power sellers to attend the workshop to engage in the dialog on this issue); (4) strategies to deal with constraints imposed by the PG&E Bankruptcy Settlement (D.03-12-035) in relation to feasibility of novation/assignment or renegotiation of DWR contracts; and (5) principles that should apply in addressing inter-utility cost allocation issues as a predicate for DWR contract novation/assignment or renegotiation.

This workshop shall provide a forum to identify: (1) possible areas of dispute which can be resolved or differences narrowed through discussion, and (2) remaining disputed issues of fact which warrant evidentiary hearings to resolve.

Detailed agenda: <http://www.cpuc.ca.gov/NR/rdonlyres/08C4C6CF-F79C-4EF9-B79B-13E7CCE47D73/0/WorkshopAgendaFINAL.doc>

PROPOSED DECISIONS * ALTERNATES * PRESIDING OFFICER'S DECISIONS * ARBITRATOR'S REPORTS

- 6/30/08 **C.07-03-026** - California Building Industry Association, Complainant, vs. Southern California Edison Company (U338E), Defendant; **Presiding Officer's Decision of ALJ McKenzie.**
- In this case, the California Building Industry Association challenges a change of tariff interpretation by Southern California Edison Company (SCE) of SCE's Electric Rule 15.E.6. The change took effect in January 2006. In that month, SCE began to bill developers separately for monthly ownership charges on line extensions that do not have enough customers to support the extension's costs, whereas before SCE had deducted these charges from the remaining refundable balance on the advance paid by the developer. This Presiding Officer's Decision (POD) concludes that the issue here is similar to the one decided in D.01-03-051, and that the change in billing practice instituted by SCE in 2006 violates both Pub. Util. Code § 454 and General Order 96-A, because SCE did not seek Commission approval of the change before instituting it. The POD directs SCE (1) to refund to developers the amounts paid on the improper bills, (2) to cancel improper bills that have not been paid, and (3) not to issue any further bills to developers for monthly ownership charges where a remaining refundable balance exists without first obtaining Commission approval of tariff changes, either through the advice letter process or an application. This proceeding is closed.
- 7/1/08 **R.06-06-028** - Order Instituting Rulemaking into the Review of the California High Cost Fund B Program; **Proposed Decision of Commissioner Chong.**
- 7/1/08 **R.05-04-005** - Order Instituting Rulemaking on the Commission's Own Motion to Assess and Revise the Regulation of Telecommunications Utilities; **Proposed Decision of Commissioner Chong.**
- 7/1/08 **A.07-12-027** - In the Matter of the Application of Leonard James Hearn, Regional Relocations, LLC (File No: MTR-190415) for a Household Goods Carrier Permit; **Proposed Decision of ALJ O'Donnell.**
