ORDER GRANTING LIMITED
REHEARING OF DECISION (D.)
84-09-088 AND BROADENING THE
EXISTING PARTIAL STAY THEREOF

An application for rehearing of D.84-09-088 has been filed by Sportfishing Association of California, on behalf members, 27 sportfishing landings and owners of 235 commercial passenger fishing vessels. By D.85-02-044, signed on February 1985, we stayed that portion of D.84-09-088 relating to for-hire vessels.

We have carefully considered each and every alleged legal error in the applicant's filing and are of the opinion good cause for granting rehearing has been shown. Said rehearing to be limited to the receipt of evidence and argument on the question of whether the staff's proposal to increase the minimum public liability insurance coverage required of for-hire vessels,

passenger air carriers and commercial air operators, as set forth in D.84-09-088, should be adopted and the relevant General Order be so amended. Inasmuch as there has been no hearing to date, it will be appropriate for the staff to sponsor its proposals with competent witness and then for the applicant and any other respondent carriers of these three classes, or their representative, to make affirmative showings in support of their own positions. In the meantime, D.84-09-088 should be stayed as to these classes of carriers. Therefore, good cause appearing

IT IS ORDERED that

1. Rehearing of D.84-09-088 is granted, limited to the extent set forth above in the body of this decision. Said limited rehearing to be held at such time and place and before such Commissioner or Administrative Law Judge as shall hereafter be determined.

2. The Executive Director shall provide notice of such rehearing to all for-hire vessels, passenger air carriers and commercial air operators in accordance with Rule 52 of our Rules of Practice and Procedure.

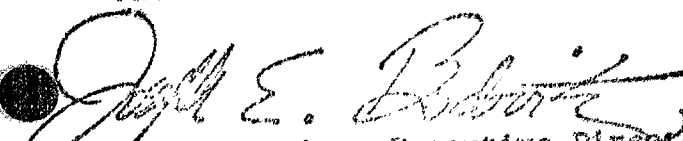

3. The Executive Director shall mail a copy of this order and a copy of D.84-09-088 to all for-hire vessels, passenger air carriers and commercial air operators.

4. The existing partial stay of D.84-09-088 is broadened to apply to all portions thereof pertaining to passenger air carriers and commercial air operators and shall continue until further order of this Commission.

This order is effective today.
