GENERAL ORDER 100-M
(Supersedes General Order 100-L)

PUBLIC UTILITIES COMMISSION OF THE
STATE OF CALIFORNIA

RULES AND REGULATIONS REQUIRING ALL HIGHWAY CARRIERS, FREIGHT
FORWARDERS WHICH OPERATE MOTOR VEHICLES ¹, HOUSEHOLD
GOODS CARRIERS, HIGHWAY CARRIERS ENGAGED IN INTERSTATE OR
FOREIGN TRANSPORTATION OF PROPERTY FOR COMPENSATION WHICH
ARE EXEMPT FROM REGULATION BY THE INTERSTATE COMMERCE
COMMISSION, AND INTEGRATED INTERMODAL SMALL PACKAGE CARRI-
ERS, TO PROVIDE AND THEREAFTER CONTINUE IN EFFECT ADEQUATE
PROTECTION AGAINST LIABILITY IMPOSED BY LAW UPON SUCH CARRI-
ERS FOR THE PAYMENT OF DAMAGES FOR PERSONAL BODILY INJURIES
(INCLUDING DEATH RESULTING THEREFROM) AND DAMAGE TO OR DE-
STRUCTION OF PROPERTY.

(Resolution No. 18602)

(1) Every highway carrier (except those subject to paragraphs (2)
and/or (3) below), freight forwarder which operates motor vehicles,
household goods carrier as defined in the Public Utilities Code, every
highway carrier engaged in interstate or foreign transportation of
property (except those subject to paragraphs (2) and/or (3) below)
for compensation in or through California which is exempt from reg-
ulation by the Interstate Commerce Commission, and every Inte-
grated Intermodal Small Package Carrier shall provide and thereafter
continue in effect so long as they may be engaged in conducting such
operations, adequate protection against liability imposed by law upon
such carriers for the payment of damages for personal bodily injuries
(including death resulting therefrom) in the amount of not less than
two hundred fifty thousand dollars ($250,000) on account of bodily in-
juries to, or death of, one person; and protection against total liability
of such carriers on account of bodily injuries to, or death of more than
one person as a result of any one accident, but subject to the same lim-
itation for each person, in the amount of not less than five hundred
thousand dollars ($500,000) and protection in the amount of not less
than one hundred thousand dollars ($100,000) for one accident result-
ing in damage to, or destruction of property other than property being
transported by such carrier for any shipper or consignee, whether the
property of one or more than one claimant; or a combined single limit
in the amount of not less than $600,000 on account of bodily injuries to,
or death of, one or more persons and/or damage to or destruction of
property other than property being transported by such carrier for
any shipper or consignee whether the property of one or more than
one claimant in any one accident.

¹ Air freight forwarders who provide ground pick-up and delivery service for shipments by federally
authorized air carriers are not included in this definition. Federal Aviation Act, 49 U.S.C.A., Sec-
tions 1301 and 1305(a).
(2) Every highway common carrier of petroleum products in bulk in tank vehicles, tank truck carrier and vacuum truck carrier, when transporting petroleum and/or petroleum products, including waste petroleum and waste petroleum products, and every highway carrier engaged in interstate or foreign transportation of petroleum and/or petroleum products, in bulk in tank vehicles for compensation in or through California which is exempt from regulation by the Interstate Commerce Commission, shall provide and thereafter continue in effect, so long as they may be engaged in conducting such operations, adequate protection against liability imposed by law upon such carriers for the payment of damages for personal bodily injuries (including death resulting therefrom) in the amount of not less than five hundred thousand dollars ($500,000) on account of bodily injuries to, or death of, one person; and protection against a total liability of such carriers on account of bodily injuries to, or death of more than one person as a result of any one accident, but subject to the same limitation for each person, in the amount of not less than one million dollars ($1,000,000); and protection in an amount of not less than two hundred thousand dollars ($200,000) for one accident resulting in damage to or destruction of property other than property being transported by such carrier for any shipper or consignee, whether the property of one or more than one claimant; or a combined single limit in the amount of not less than $1,200,000 on account of bodily injuries to, or death of, one or more person and/or damage to or destruction of property other than property being transported by such carrier for any shipper or consignee whether the property of one or more than one claimant in any one accident.

(3) Except as provided in paragraph (2) above, every highway carrier, freight forwarder which operates motor vehicles, household goods carrier, highway carrier engaged in interstate or foreign transportation of property for compensation which is exempt from regulation by the Interstate Commerce Commission, and every Integrated Intermodal Small Package Carrier which transports any hazardous material, as defined by Section 353 of the California Vehicle Code, shall provide and thereafter continue in effect, so long as they may be engaged in conducting such operations, adequate protection against liability imposed by law on such carriers for the payment of damages for personal injury or death, and damage to or destruction of property, in amounts of not less than the minimum levels of financial responsibility specified for carriers of hazardous materials by the United States Department of Transportation (U.S.D.O.T.) in Part 387 of Title 49 of the Code of Federal Regulations. The applicable minimum levels of financial responsibility required are as follows:

(4) (a) The protection required under Section (1) and (2) hereof shall be evidenced by the deposit with the Public Utilities Commission, covering each vehicle used or to be used in conducting the service performed by each such highway carrier, freight forwarder which operates motor vehicles, household goods carrier, and Integrated Intermodal Small Package Carrier, of a Commission-authorized certificate of public liability and property damage insurance, issued by a company licensed to write such insurance in the State of California, or by nonadmitted insurers subject to Section 1763 of the Insurance Code, or of an original bond of a surety company licensed to write surety bonds in the State of California.

(b) The protection required under Section (3) hereof shall be evidenced by the deposit with the Public Utilities Commission, covering each vehicle used or to be used in conducting the service performed by each such highway carrier, freight forwarder which operates motor vehicles, household goods carrier, and Integrated Intermodal Small Package Carrier, of Public Utilities Commission Form TL 844 Series, Certificate of Insurance, issued by a company licensed to write such insurance in the State of California, or by nonadmitted insurers subject

---

Note: Items (a), (b) and (c) apply to vehicles with a gross vehicle weight rating of 10,000 pounds or more. Item (d) applies to all vehicles.

Exceptions: (1) California intrastate carriers of bulk petroleum and petroleum products, including waste petroleum and petroleum products, are subject to item (2) of this General Order and therefore are required to maintain minimum coverage of $1,200,000 rather than $1,000,000, as specified above.

(2) Carriers that transport commodities listed in (a), (b) or (c) but who are exempt because of vehicle size are required to maintain coverage of $600,000 rather than $1,000,000, as specified above.

Integrated Intermodal Small Package Carriers may not file a certificate of insurance by a nonadmitted insurer; their evidence of insurance protection must be issued by a company licensed to write such insurance in the State of California.

G.O. 100-M
to Section 1763 of the Insurance Code, or of an original bond of a
surety company licensed to write surety bonds in the State of Cali-
forinia.

(5) The protection required under Sections (1), (2), and (3) hereof
by every highway carrier engaged in interstate or foreign transpor-
tation of property in or through California who is exempt from regu-
lation by the Interstate Commerce Commission, shall be evidenced by
the filing and acceptance of a Commission authorized certificate of in-
surance or surety bond, or qualification as a self-insurer as may be au-
thorized.

(6) A certificate of insurance, or surety bond, evidencing such pro-
tection, shall not be cancelable on less than thirty (30) days written no-
tice to the Public Utilities Commission, such notice to commence to
run from the date notice is actually received at the office of the Com-
mission.

(7) Any highway carrier, freight forwarder, household goods car-
rrier, or Integrated Intermodal Small Package Carrier, desiring to fur-
nish equivalent protection to the public by means other than those
prescribed in the foregoing sections, whether as a self-insurer or oth-
erwise, shall file an application for authority to do so in accordance
with the Commission’s Rules of Practice and Procedure.

(8) Every insurance certificate, surety bond or equivalent protec-
tion to the public shall contain a provision that such certificate, surety
bond or equivalent protection shall remain in full force and effect until
canceled in the manner provided by Section (6) of this General Order.

(9) Upon cancellation of an insurance certificate or surety bond, or
the cancellation of equivalent protection authorized by this Commis-
sion, the operative authority of any highway carrier, freight forwarder
subject to this order or household goods carrier shall stand suspended
immediately upon the effective date of such cancellation. The regis-
tration issued by this Commission to any highway carrier engaged in
interstate or foreign transportation of property in or through Califor-
nia who is exempt from regulation by the Interstate Commerce Com-
mission or to any Integrated Intermodal Small Package Carrier, shall
stand suspended immediately upon the effective date of cancellation
of any insurance certificate, surety bond or equivalent protection.

(10) The suspension of the operative authority of any highway com-
mon carrier, cement carrier or freight forwarder pursuant to Section
(9) hereof shall suspend also the tariff filings of such carrier. Suspen-
sion supplements to tariffs so suspended are not required and shall not
be filed.

(11) No carrier shall engage in any operation on any public high-
way in this State during the suspension of its operative authority or sus-
pension of its registration.

(12) The operative right or rights held by any highway common
carrier, cement carrier or freight forwarder shall be subject to revo-
cation in the manner provided by Section 1070 of the Public Utilities
G.O. 100-M
Code whenever the operative right of such carrier has been sus-
pended under the provisions of this General Order.

(13) No highway common carrier, cement carrier or freight for-
warder whose operative rights have been suspended under the pro-
visions of Section (9) of this General Order shall resume operations
unless and until such carrier shall have filed an insurance certificate,
surety bond or equivalent protection in effect at the time and which
meets the standards set forth in this General Order. The operative
rights of such complying carriers shall be reinstated from suspension
upon the filing of an insurance certificate, surety bond or equivalent
protection.

(14) In order to expedite the processing of insurance filings by the
staff of the Public Utilities Commission, each insurance or bond filing
made should contain the insured’s California P.U.C. file “T” number,
if known, in the upper right hand corner of the certificate.

Approved and dated at San Francisco, California, this 17th day of
December, 1993.
