**Motion of Stop Smart Meters Irvine to Late File
"Opening Brief on Smart Meter Issues: July 16, 2012"**

Stop Smart Meters Irvine (SSM-Irvine) respectfully submits this request ("motion") to Judge Kikugawa to please accept "*Opening Brief on Smart Meter Issues: July 16, 2012*," past the due date of July 16, 2012, due to an error which resulted in the brief being filed incompletely (It wasn't sent to the docket office or to all the people on the information list.) Some technical problems then arose with the special PDF-A format that the CPUC requires for its on line filing, so SSM-Irvine mailed the brief and a copy of this motion via next day mail, and also sent copies via e-mail to the parties and people on the service list.

Sincerely,

/s/ Melissa Levine
