Rulemaking 17-05-010  
(Filed May 11, 2017)

**RESPONSE TO ADMINISTRATIVE LAW JUDGE’S RULING AUGUST 2,  
2018**

**I. With respect to Rule 1.4(b) (2)**

The City of Berkeley supports undergrounding of existing overhead electric facilities and knows there are a multitude of benefits to undergrounding. Of utmost importance, undergrounding utility wires increases public safety. The City of Berkeley requests party status in order to give valuable input into the new rulemaking proceedings.

**II. Notice**

Service of notices, orders, and other correspondence in this proceeding should be directed to the City of Berkeley at the address set forth below:
