**BEFORE THE PUBLIC UTILITIES COMMISSION  
OF THE STATE OF CALIFORNIA**

Order Instituting Rulemaking to Continue  
Electric Integrated Resource Planning and  
Related Procurement Processes.

Rulemaking 20-05-003  
(Filed May 14, 2020)

**AMERICAN WIND ENERGY ASSOCIATION OF CALIFORNIA  
THREE-DAY ADVANCED NOTICE OF EX PARTE COMMUNICATIONS**

Pursuant to Rule 8.4 of the California Public Utilities Commission’s (“Commission”) Rules of Practice and Procedure and Public Utilities Code Section 1701.3(h)(2), American Wind Energy Association of California (“AWEA-California”) hereby gives advanced notice that it has been granted the following Ex Parte meetings:

On August 14<sup>th</sup>, at 11:00 a.m., Danielle Mills, Director, AWEA-California; Brian Biering, Attorney for AWEA-California; and affiliated members, will meet with Brian Korpics, Legal and Policy Advisor to President Marybel Batjer. The meeting will take place remotely via WebEx and is expected to last approximately thirty-minutes.

On August 14<sup>th</sup>, at 2:00 p.m., Danielle Mills, Director, AWEA-California; Brian Biering, Attorney for AWEA-California; and affiliated members, will meet with Maria Sotero, Energy Advisor to Commissioner Martha Guzman-Aceves. The meeting will take place remotely via WebEx and is expected to last approximately thirty-minutes.

The purpose of these remote meetings is to discuss the alignment of near-term procurement and long-term planning to ensure and accelerate deployment of renewables at lowest cost to meet SB 100 requirements reliably and cost-effectively.

Dated: August 11, 2020

Respectfully submitted,

/s/ Danielle Osborn Mills  
Director, AWEA California
