Subject: A.20-08-009: EMAIL RULING SETTING TELEPHONIC PREHEARING
CONFERENCE

Attention all parties to proceeding A.20-08-009:

This ruling sets a telephonic prehearing conference (PHC) for September 28, 2020, commencing at 10 a.m., to determine the positions of the parties, scope, and schedule of the proceeding, and other procedural matters. The dial-in information is as follows:

Toll Free Number: 866-919-1432

Participant Code: 6245303

Parties are directed to adhere to the following ground rules for telephonic participation:

- Speak only when addressed by the Administrative Law Judge (ALJ)
- Identify yourself before speaking
- Speak slowly and clearly
- Do not interrupt or speak over one another

All interested parties who intend to speak at the PHC are directed to email the name and title of the party representative no later than 5:00 p.m. on September 24, 2020, to the service list of A.20-08-009, with the following in the subject line of the email: "A.20-08-009 Party Representative for PHC."

If parties have prepared statements they intend to make during the PHC, please email them to the court reporter (reporting@cpuc.ca.gov) one day prior to, or on the day of, the PHC.

Parties desiring expedited transcripts should advise the Chief Hearing Reporter via e-mail at reporting@cpuc.ca.gov, no later than three days prior to the date of the PHC (September 25, 2020). As this is a telephonic prehearing conference reliant on technology to relay statements in verbatim format by those in attendance to the court reporter, (1) the reporter will be interrupting the speakers when possible to do so without disrupting the proceeding, when there is/are inaudible statement(s) or portions thereof, and (2) the reporter will be inserting the word "inaudible" in the transcript when there is dropped, garbled, or otherwise indecipherable audio.

Parties should come to the PHC prepared to discuss any and all facts and legal issues that are associated with but not stated in the instant application that require resolution through the submission of testimony; the timing and number of public participation hearings (if any) are necessary in this proceeding; the timing and need for evidentiary hearings (if any); and any other issues directly related to the case management of this proceeding.

IT IS SO RULED.

THE DOCKET OFFICE SHALL FORMALLY FILE THIS RULING.
