Subject: R.20-11-003 (extreme weather) E-mail Ruling Taking Official Notice of "Revised Summer Stack Analysis"

Parties to Rulemaking 20-11-003:

This Email Ruling takes official notice of the attached "Revised 2022 Summer Stack Analysis" (Summer Stack Analysis) prepared by California Energy Commission staff and adopted at its September 8, 2021 business meeting.

In an August 12, 2021 ruling, Judge Stevens provided informational notice of a preliminary version of the Summer Stack Analysis, which was revised as noted above. Evidence Code Section 452(c) provides that judicial notice may be taken of "Official acts of the legislative, executive, and judicial departments of . . . any state of the United States." Commission Rule 13.9 provides that "Official notice may be taken of such matters as may be judicially noticed by the courts of the State of California pursuant to Evidence Code section 450 et seq."

Parties may comment on the Summer Stack Analysis within 7 calendar days of issuance of this ruling. Each party's response shall not exceed 15 pages in length, in 12 point font.

IT IS SO RULED.

The Docket Office shall formally file this Email Ruling.

Sarah Thomas and Brian Stevens

Administrative Law Judges, California Public Utilities Commission
