Subject: I.17-02-002, Email Ruling Extending the Deadline for Cost Information From November 30, 2021 to December 15, 2021

On November 8, 2021, the assigned Administrative Law Judge (ALJ) issued an email ruling directing Southern California Gas Company, Pacific Gas and Electric Company, San Diego Gas & Electric Company, and Southern California Edison (the Utilities) to submit cost information by November 30, 2021 in response to material provided by FTI Consulting, Inc. (FTI) and Gas Supply Consulting, Inc. (GSC). Other parties were encouraged to respond.

On November 19, 2021, the Utilities submitted a request for an extension pursuant to Rule 11.6 of the Commission's Rules of Practice and Procedure. The Utilities explained that more time is necessary to gather data and to better analyze and provide input and suggestions on the information from FTI and GSC. The Utilities noted that Indicated Shippers and the Southern California Generation Coalition support the extension. Other parties do not object or do not have a position on the extension request.

The request for an extension is reasonable. For good cause shown, the request is granted. The due date for the November 30, 2021 compliance filing is extended to December 15, 2021.

IT IS SO RULED.

THE DOCKET OFFICE SHALL FORMALLY FILE THIS RULING.

Subject: [EXTERNAL] RE: I.17-02-002, Email Ruling Directing Southern California Gas Company, Pacific Gas and Electric Company, San Diego Gas & Electric Company, and Southern California Edison to Evaluate Costs Presented by FTI and GSC

CAUTION: This email originated from outside of the organization. Do not click links or open attachments unless you recognize the sender and know the content is safe.

Dear ALJ Zhang:

Pursuant to Rule 11.6 of the Rules of Practice and Procedure of the California Public Utilities Commission ("CPUC" or "Commission"), Southern California Gas Company ("SoCalGas"), Pacific Gas and Electric Company ("PG&E"), Southern California Edison ("SCE"), and San Diego Gas and Electric Company ("SDG&E") jointly request an extension of time to comply with your honor's November 8, 2021 Email Ruling directing SoCalGas, PG&E, SCE, and SDG&E to evaluate costs presented by FTI Consulting, Inc. and Gas Supply Consulting, Inc. ("Compliance Filing").

Due to the upcoming holiday, and to allow for time to gather data and better analyze and provide input and suggestions on the limited information provided to-date by FTI Consulting, Inc. and Gas Supply Consulting, Inc., SoCalGas, PG&E, SCE, and SDG&E request an extension of time to file the Compliance Filing from November 30, 2021 to December 15, 2021.

The Indicated Shippers and Southern California Generation Coalition (SCGC) support this extension request.

The Protect Our Communities Foundation (PCF) does not object to this extension request.

The Center for Energy Efficiency and Renewable Technologies (CEERT), the California Energy Storage Alliance (CESA), the Public Advocates Office (Cal Advocates), the Sierra Club, and the Utility Reform Network (TURN) did not take a position on the extension request.

Thank you,

Setareh Mortazavi

Subject: [EXTERNAL] I.17-02-002, Email Ruling Directing Southern California Gas Company, Pacific Gas and Electric Company, San Diego Gas & Electric Company, and Southern California Edison to Evaluate Costs Presented by FTI and GSC

*** EXTERNAL EMAIL - Be cautious of attachments, web links, and requests for information ***

On October 27, 2021, the parties were provided the presentation slides for the November 3, 2021 workshop. Revisions to these slides and references were provided on November 2, 2021. The final presentation slides are attached to this email ruling. At the November 3, 2021 workshop, FTI Consulting,

Inc. (FTI) and Gas Supply Consulting, Inc. (GSC) presented the results of four portfolios that potentially could replace the services provided by the Aliso Canyon Natural Gas Storage Facility (Aliso Canyon).

FTI and GSC presented costs for each of the four portfolios. In order to understand the full cost implications of the portfolios, more detailed information is required from Southern California Gas Company, Pacific Gas and Electric Company, San Diego Gas & Electric Company, and Southern California Edison (the Utilities). Other parties, including Community Choice Aggregators and Load Serving Entities serving the Los Angeles area, which may also have more accurate cost numbers that can further illuminate the record, are encouraged to submit cost information as well.

This ruling directs the Utilities to respond in a compliance filing on November 30, 2021:

- An evaluation of the costs inputs and outputs presented by FTI and GSC,
- Costs the responding party would anticipate if ordered to contribute to implementing the four portfolios, based on historical costs,
- Total cost estimates of the four portfolios, showing in detail the components,
- Alternative cost estimates based on local needs in the responding party's service area and/or the Los Angeles Basin, and
- Alternative cost estimates based on other inputs, such as the following:
 1. California Independent System Operator, 2020-2021 Transmission Plan, March 24, 2021, available at <http://www.caiso.com/Documents/BoardApproved2020-2021TransmissionPlan.pdf> [caiso.com] (see also Appendix G, available at <http://www.caiso.com/Documents/AppendixG-BoardApproved2020-2021TransmissionPlan.pdf> [caiso.com])
 2. California Independent System Operator, 2022 Local Capacity Technical Study, Final Report and Study Results, April 30, 2021, available at <http://www.caiso.com/InitiativeDocuments/Final2022LocalCapacityTechnicalReport.pdf> [caiso.com]
 3. California Independent System Operator, 2026 Local Capacity Technical Study, Final Report and Study Results, April 30, 2021, available at <http://www.caiso.com/InitiativeDocuments/Final2026Long-TermLocalCapacityTechnicalReport.pdf> [caiso.com]

Other parties in the Los Angeles Basin, or with service territories overlapping the Southern California Gas Company delivery area, may also respond to part or all of this request at their option.

The compliance filing due on November 30, 2021 will not replace future opportunities to submit testimony.
