**Subject:** R.18-07-006 -- Email Ruling Granting MOTION OF CALIFORNIA WATER ASSOCIATION FOR EXTENSION OF TIME FOR COMMENTS ON STAFF PROPOSAL

Parties to Rulemaking R.18-07-006:

By this ruling, the due dates of Opening and Reply Comments on the Affordability Metrics Implementation Staff Proposal are extended to January 10, 2022 and January 25, 2022, respectively.

The Email Ruling Revising Phase 2 Schedule, dated October 11, 2021, set the dates for Opening and Reply Comments on the Affordability Metrics Implementation Staff Proposal as December 8, 2022 and December 23, 2022, respectively. In a motion filed November 22, 2021, CWA requested an extension of time for filing comments on the Affordability Metrics Implementation Staff Proposal, in order to work together to try and resolve issues related to the Water Rate and Bill Tracker proposed for adoption. In its motion, CWA reports having conducted an informal working session on November 18, 2021 with the Public Advocates Office at the California Public Utilities Commission, Commission Water Division staff and its member water utility companies. On November 22, 2021, Commission Water Division staff noticed to the service list of this proceeding a first working session on the Water Rate and Bill Tracker, scheduled for November 30, 2021. In its motion, CWA reports additional working sessions scheduled for December 6 and 13, 2021.

It is reasonable to extend the dates for filing and serving comments on the Affordability Metrics Implementation Staff Proposal to incorporate the collaborative work of parties as evidenced by the working session activity to date.

Rule 11.6 of the Commission's Rules of Practice and Procedure addresses Motions for Extensions of Time. I remind parties, in filing their Opening and Reply Comments on the Affordability Metrics Implementation Staff Proposal, to comply with Rule 11.6 by referencing today's ruling as authority for the filing deadline.

The November 22, 2021, motion of CWA is granted.

SO RULED.

DOCKET SHALL FORMALLY FILE THIS RULING IN THE PROCEEDING.
