**Subject:** R.11-03-012 E-mail Ruling Modifying the Reply Comment Deadline as set in the January 13 Ruling

Parties to Rulemaking 11-03-012 (greenhouse gas and climate credit issues):

On January 13, 2022, I issued a ruling that authorized parties to file and serve opening and reply comments in response to the December 1, 2021 filing made by San Diego Gas & Electric. I authorized a deadline of January 21, 2022 for opening comments and January 31, 2022 for reply comments.

Paul Szymanski, a representative of San Diego Gas & Electric, replied to all parties on this service list with a request that I modify the deadline for reply comments. San Diego Gas & Electric requested that reply comments be allowed to be served and filed no later than February 4, 2022. Mr. Szymanski cited fairness in allotted time and staff resource availability as the reasoning for making the request.

The arguments and request are fair, and the reply comment deadline shall be modified from January 31, 2022 to February 4, 2022.

**IT IS SO RULED.**

The Commission's Docket Office shall formally file this ruling.
