Subject: R.20-01-007: Ruling Noticing Equity Workshop and Directing Southwest Gas to Prepare Workshop Report

Attention Parties:

On March 8, 2022 Energy Division staff served notice of an Equity workshop on March 29, 2022 from 9:30 a.m. to 1:00 p.m. This workshop will address equity challenges relating to the gas transition, with perspectives from a number of California communities. Parties shall use the information provided below to participate in the Equity workshop.

 - Access code: 249 739 08390

The workshop will be recorded by the Commission and will be posted on R.20-01-007's Website. This is not the first nor the last workshop for this rulemaking. While Energy Division staff has prepared workshop reports/summaries for the prior events in this proceeding, moving forward, this ruling notices that such task be defaulted to the gas utility parties to this proceeding. For the Equity Workshop on March 29, 2022, Southwest Gas shall coordinate with the Commission's Energy Division to produce a draft and final workshop report on the issues discussed. Southwest Gas shall file a draft workshop report by May 6, 2022. Once filed, the ALJ will establish a comment schedule for parties to provide feedback on. Future workshop reports will have a designated gas utility responsible for filing a draft workshop report. Finally, all future workshop reports shall follow the format of the previous reports in this proceeding.

IT IS SO RULED:

1. The Equity workshop will be held via WebEx on March 29, 2022 from 9:30 a.m. to 1:00 p.m.;
2. Southwest Gas shall coordinate with the Commission's Energy Division to file a draft workshop report by May 6, 2022; and
3. All future workshop reports shall follow the format of previous reports in this proceeding.

The Docket Office shall formally file this ruling.
