Subject: R.13-11-005: Email ruling granting Extension Request for Energy Efficiency Annual Report Submittal

Dear Ms. Norin,

Thank you for your patience while we considered the implications of this extension request. After consultation with Energy Division staff, this email ruling grants your below email request for an extension to file the Energy Efficiency Annual Reports, due to the significant volume of statewide claims that need to be processed.

The following will be the new deadlines for upcoming submittals:

2021 Annual Reports

- Regional Energy Networks and Community Choice Aggregators: May 17, 2022
- Investor-Owned Utilities: June 1, 2022

First Quarter 2022 Program Tracking Data Submissions

- Regional Energy Networks and Community Choice Aggregators: June 16, 2022
- Investor-Owned Utilities: July 1, 2022

The Docket Office shall formally file this ruling.

Due to the size of the service list, this email is being distributed in batches, to avoid rejection by servers.

Best regards,

Julie A. Fitch

Subject: [EXTERNAL] R.13-11-005: Request Extension for EE Annual Report Submittal (email 2 of 2)

CAUTION: This email originated from outside of the organization. Do not click links or open attachments unless you recognize the sender and know the content is safe.

Dear ALJs Kao and Fitch,

Pursuant to Rule 11.6 of the Commission's Rules of Practice and Procedure, San Diego Gas & Electric Company and Southern California Gas Company (collectively Joint Utilities), are seeking an extension for the submittal of the Energy Efficiency Annual Report for 2021, which for Investor Owned Utilities (IOUs) is due annually on May 1st, per the *Administrative Law Judge's Ruling Adopting Annual Reporting Requirements For Energy Efficiency And Addressing Related Reporting Issues*, issued on August 8, 2007 (ALJ's Ruling). The Joint IOUs would like to request that this date be extended for all Program Administrators. For IOUs this would extend the filing due date from May 2nd, 2022^{[1](#)} until June 1, 2022 and other PAs would be adjusted accordingly.

The 2021 EE Annual Report represents the first year that an IOU will file a significant volume of Statewide Program claims (SW claims). The Joint Utilities received approximately 90% of the SW claims for 2021, with SDG&E having the largest volume. Over 50% of SDG&E's SW claims were received in November and December of 2021, resulting in a Quality Assurance/Quality Control process that won't allow for a financial close until March 31, 2022. As a result, SDGE's SW claims won't be ready to test until April 18, 2022, at which time internal data will need to be validated using CEDARS-allocated Cost Effectiveness Output from the new SW claims module. If the requested extension is granted, allowing the needed time to process and validate the data, SDG&E and SoCalGas expect to be able to perform all steps appropriately and accurately in CEDARS and allow time to process the validated results to the input table. Moreover, SDG&E and SoCalGas do not believe that granting this 30-day extension will prejudice any party.

Pursuant to Rule 11.6 of the Commission's Rules of Practice and Procedure, on March 15, 2022 the Joint IOUs made a good faith effort to ask parties if they agree to the extension. The following responses were received:

Parties supporting the motion: MCE, BayREN and 3C-REN

Parties not opposing the motion: Southern California Edison and Pacific Gas & Electric

Parties opposing the motion: No party opposed the motion.

Thank you for your consideration of this motion for an extension.

[u](#) Although the ALJ's Ruling requires the report to be submitted on May 1st, in 2022 May 1st falls on a Sunday. Thus, the Program Administrators would submit their Annual Reports on Monday, May 2, 2022.

Due to the size of the service list, we are sending this e-mail in 2 batches.

Thank you,

Jenny Norin
