Order Instituting Rulemaking to Establish Policies, Processes, and Rules to Ensure Safe and Reliable Gas Systems in California and perform Long-Term Gas System Planning.

Rulemaking 20-01-007

ADMINISTRATIVE LAW JUDGE’S RULING GRANTING JOINT MOTION OF PACIFIC GAS AND ELECTRIC COMPANY (U 39-G), SAN DIEGO GAS & ELECTRIC COMPANY (U 902 M), SOUTHERN CALIFORNIA GAS COMPANY (U 904 G), AND SOUTHWEST GAS CORPORATION (U 905-G) FOR AN EXTENSION OF TIME TO SUBMIT GAS SYSTEM INFORMATION

On February 9, 2022 ALJ Goldberg and I issued a ruling, later superseded by our March 1, 2022 ruling (Ruling), adopting a schedule that directed each of Pacific Gas and Electric Company, San Diego Gas & Electric Company, Southern California Gas Company and Southwest Gas Corporation, (collectively, Gas Utilities) to supply gas distribution system and gas consumption information as outlined within the Appendix of the Ruling by April 22, 2022. On April 13, 2022, the Gas Utilities filed the above-described motion setting forth the reasons that they required an extension of time to May 20, 2022 to supply the requested information. The Gas Utilities also contacted parties that have been the most active in this proceeding to ask for their agreement to this extension request. Indicated Shippers and Southern California Generation Coalition indicated they do not oppose this request, and no parties indicated they would oppose it.

Accordingly, good cause being shown,

IT IS RULED THAT the Joint Motion of Pacific Gas and Electric Company, San Diego Gas & Electric Company, Southern California Gas company and Southwest Gas Corporation for an extension of time to May 20, 2022 to comply with the Ruling is granted.
