**Subject:** Application 20-06-011 (PG&E Regionalization): E-mail ruling noting procedural next steps relative to the modification of the Multi-party Settlement Agreement in the April 18, 2022 proposed decision

Parties to Application 20-06-011 (PG&E Regionalization):

On April 18, 2022, the Commission issued a proposed decision adopting a modified version of the Multi-party Settlement Agreement (MPSA) and an unmodified South San Joaquin Irrigation District Settlement Agreement (SSJIDA).

I wanted to point the settling parties' attention to Section 12 of the proposed decision that outlines procedural next steps relative to the proposed modification of the MPSA. Consistent with Rule 12.4, in opening comments on the April 18, 2022 proposed decision, the settling parties to the MPSA shall address whether the modification stated in the proposed decision is acceptable or whether they wish to request other relief.

It is so ruled.

The Commission's Docket Office shall formally file this ruling.
