**Subject:** [EXTERNAL] R. 13-11-005 - Request to vacate and amend Sierra Club Reply to SoCalGas Comments on Administrative Law Judge's Ruling Dated May 2, 2022

**CAUTION:** This email originated from outside of the organization. Do not click links or open attachments unless you recognize the sender and know the content is safe.

Dear ALJ Kao,

I am writing to request your authorization to vacate Sierra Club's June 16 filing in this docket and to file an amended version of those comments.

On Monday afternoon, SoCalGas alerted me that the filed version of the Sierra Club Reply to SoCalGas Comments on Administrative Law Judge's Ruling Dated May 2, 2022 contained information that SoCalGas had marked as confidential and requested that Sierra Club work with the Docket Office to replace the filed version with a version that correctly redacts that information. After reaching the Docket Office's voicemail box, I promptly emailed the Docket Office with a properly redacted copy and requested that they replace the filed copy in the docket. Today, I called the Docket Office again and received the guidance that the proper procedure would be to vacate the original filing and to file an amended version. The Docket Office informed me that its staff does not have the technical capability of removing the original filing from the docket on their own and that I should request the ALJ's authorization to vacate the filing, cc'ing the service list, so that Commission IT staff could remove the filing.

Sierra Club also seeks to file an amended reply comment, which would present identical arguments as the comments filed on June 16. The amended filing would redact the information marked as confidential on the final page of Attachment A to the comments, which was not mentioned in the text of the comments themselves.

I sincerely apologize for the inadvertent failure to properly redact the information SoCalGas marked as confidential, for which I take full responsibility. I am sorry about burdening your time as I attempt to address this problem as quickly as possible. I would be happy to take any other steps you find appropriate.

Best,

Sara  
Attorney for Sierra Club
