**Subject:** E-Mail Ruling on Party Status in A 22-05-029 PG&E's 2023 ERRa Forecast

Small Business Utility Advocates (SBUA) filed a timely motion for party status in this proceeding in accordance with Rule 1.4 of the California Public Utilities Commission Rules of Practice and Procedure. SBUA states that it plans to participate in this proceeding to evaluate and ensure that the Commission's decision in Pacific Gas & Electric Company's application reasonably reflects the interests of small business customers. Further, SBUA is aware of and agrees to the schedule and scope of issues set forth in the Assigned Commissioner's Scoping Memo and Ruling, dated August 4, 2022. SBUA understands that by necessity time is very constrained in this proceeding and there is a relatively expedited schedule.

SBUA has been an active participant in many Commission proceedings and therefore I will rule now that SBUA should be granted party status.

IT IS RULED, Small Business Utility Advocates is hereby granted party status in Application 22-05-029 effective immediately.

Docket Office shall file this ruling.
