Subject: A.22-05-002 et al.; Administrative Law Judge Ruling Canceling Evidentiary Hearings of September 22-23, 2022 and Setting Pre-Hearing Conference for October 25, 2022

To the Service List in A.22-05-002 et al., PG&E, SCE, and SDG&E Applications for Demand Response Programs:

On September 14, 2022, Southern California Edison notified the service list that a meet and confer conference was held on September 9, 2022, with no parties requesting evidentiary hearing on issues related to the Demand Response Auction Mechanism (DRAM). Consequently, evidentiary hearings scheduled for September 22 and 23, 2022 are hereby cancelled. In accordance with Commission Rules of Practice and Procedure, Rule 13.8(c), parties are directed to prepare a Joint Motion for Admission of Evidence (Joint Motion) by no later than September 26, 2022. The Joint Motion must include as an attachment a list of all testimony and exhibits that the parties have or will submit, identified by party, by exhibit number (ex: "XYZ-01"), by a description of the exhibit, and with a "supporting documents" link pursuant to Rule 13.7(f). If all exhibits are to be moved into evidence without objection, the Joint Motion must so indicate. If any exhibit is not moved into evidence without objection, the Joint Motion must include the moving party's proffer and the objecting party or parties' objection(s). If any exhibit is not moved into evidence without objection, a ruling as to the admissibility of that exhibit will be issued by September 28, 2022. All briefing references to exhibits must identify exhibits as they are identified in the Joint Motion.

A Pre-hearing Conference (PHC) is hereby scheduled for October 25, 2022 at 10:00 AM, to discuss issues that will be taken up in Phase II of this proceeding, including the future of the DRAM. By October 17, 2022 parties shall e-mail to ALJs Garrett Toy (garrett.toy@cpuc.ca.gov) and Jason Jungreis (Jason.Jungreis@cpuc.ca.gov) the name, e-mail, and phone number of the person that will be representing them at the PHC, so that Webex links may be sent ahead of time to the representative. Additional information, including a draft list of issues for parties to comment on and add to as well as directions to submit a pre-hearing conference statement and instructions for participation shall follow shortly. The public Webex information for the PHC is as follows:
