SECTION I. GENERAL AUTHORIZATIONS, RESTRICTIONS,
LIMITATIONS, AND SPECIFICATIONS.

Ventura Transit System, Inc., a corporation, by the certificate of public convenience and necessity granted by the decision noted in the foot of the margin, is authorized to transport passengers and their baggage on an on-call or scheduled basis between the points described in Section II, over the routes described in Section III, subject, however, to the authority of this Commission to change or modify this authority at any time and subject to the following provisions:

- A. When a route description is given in one direction, it applies to operation in either direction unless otherwise indicated.
- B. Nonscheduled service shall be operated on an "on-call" basis. The term "on-call," as used, refers to service which is authorized to be rendered dependent on the demands of passengers. The tariffs shall show the conditions under which each authorized on-call service will be provided and shall include the description of the boundary of each fare zone, except when a single fare is charged to all points within a single incorporated city.
- C. No "on-call" passengers shall be transported except those having a point of origin or destination as described in Section II.B, II.C.
- D. Scheduled service will be operated only at the points described in Sections II.D and II.E. A description of all the stop points and the arrival and departure times from such points shall be indicated in the timetable filed with the Commission.

- E. This certificate does not authorize the holder to conduct any operation on the property of any airport unless such operation is authorized by the airport authority involved.
