SUMMARY

Beth provides external regulatory and general counsel and strategic, legal, policy and compliance services to environmentally-minded clients as the owner of the Law Office of Elizabeth Kelly, a General Order 156 certified woman-owned business. Formerly, Beth served as General Counsel for MCE, the first Community Choice Aggregator (CCA) in California. She was one of the three staff members that took MCE from its formation to a \$380 million per year operation serving customers with clean energy choices. She is a passionate supporter of libraries, literacy and education.

BAR ADMISSIONS

Admitted in California (268401) and New York (4488938).

EXPERIENCE

Law Office of Elizabeth Kelly, San Francisco, CA

2019 – Present

Owner

Provides strategic, legal and policy services to mission-driven nonprofits and public agencies. Advises and represents clients before the California Public Utilities Commission on a wide range of complex policy matters, including energy efficiency, renewable natural gas, gas system planning, cost of capital and other matters. Provides legal and strategic guidance regarding transactional, legal, and programmatic client matters. Provided strategic advisory services to a consortium of general counsel on the Pacific Gas & Electric Company bankruptcy.

Briscoe Ivester & Bazel LLP, San Francisco, CA

2018 – 2019

Partner

Represented public and private clients on legal, regulatory and compliance matters. Represented a consortium before the California Public Utilities Commission on Senate Bill 237 implementation regarding the expansion of direct access. Served as lead strategy counsel for a consortium of energy general counsel related to the Pacific Gas and Electric bankruptcy.

MCE, San Rafael, CA

2009 – 2018

General Counsel (2012-2018)

Project Manager and Regulatory and Legislative Counsel (2009-2012)

Served as chief legal officer of green energy provider to customers in Marin, Napa, Contra Costa and Solano Counties, with over \$380 million in annual revenue. Held primary responsibility for legal, compliance, policy, privacy, confidentiality, municipal law, employment law, litigation and other matters. Directed strategic partnership and opportunity development for community choice aggregation (CCA), leading collaborations with energy, environmental, equity and other organizations to drive strategic interventions at regulatory agencies and the legislature. Served as key member of leadership team, including: Risk Management Committee, Strategic Planning Committee, and Chief Operating Officer Search Committee. Instrumental in the following accomplishments:

- Shepherded MCE through its launch and infancy, increasing customer accounts from 8,000 at launch to over 250,000.
- Successfully fought to achieve passage of Senate Bill 790 (CCA Bill of Rights).
- Successfully fought to defeat Assembly Bill 2145, which would have limited the rights of CCA in California.
- Filed the first CCA application for energy efficiency funding in the state and secured over \$10 million for MCE energy efficiency programs.

White & Case LLP, New York, NY

2006 – 2008

Associate, Energy, Infrastructure and Project Finance Practice Group

Represented sponsors, commercial and multilateral financial institutions in international energy, infrastructure and project finance transactions, including: Fortis and Calyon in a 242 MW coal-fired power plant project in Chile; Goldman Sachs for a 30-year, \$4.1 billion public-private partnership concession to build and operate toll roads in Mexico; and Kingdom of Saudi Arabia in an upstream concession arrangement in the Neutral Zone shared by Saudi Arabia and Kuwait.

New York University Office of Legal Counsel, New York, NY

2005 – 2006

Law Clerk

Addressed fair use and First Amendment questions. Drafted policies on releases and photocopying and electronic reserves. Drafted form release and form cease and desist letter. Performed legal research and prepared memoranda regarding privacy breaches, non-profit organization-related issues related to donations, and various labor and employment matters.

Pacific Economics Group, Madison, Wisconsin

2002 – 2003

Intern

Analyzed data to determine performance-based regulation standards and benchmarking for energy utilities. Prepared Spanish-language marketing materials regarding econometric services.

CIVIC ENGAGEMENT
