BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

Order Instituting Rulemaking to Revisit Net Energy Metering Tariffs Pursuant to Decision 16-01-044, and to Address Other Issues Related to Net Energy Metering.

Rulemaking 20-08-020

**ADMINISTRATIVE LAW JUDGE'S RULING
WITHDRAWING THE DECEMBER 13, 2021 PROPOSED DECISION**

On December 13, 2021, I issued a proposed decision addressing most of the scoped issues in this proceeding. The comments and reply comments filed in response to the December 13, 2021 proposed decision have led me to reconsider several aspects of the proposed decision. For the sake of transparency and due process, the breadth of the changes necessitates a new proposed decision with a 30-day public comment period, pursuant to Public Utilities Code Section 311.

IT IS RULED that the December 13, 2021 proposed decision in this proceeding is withdrawn. A new proposed decision will be issued subsequently.

Dated November 10, 2022, at San Francisco, California.
