Rulemaking 21-11-014

**ADMINISTRATIVE LAW JUDGE'S RULING
REQUESTING COMMENTS ON PHASE 1
SUPPLEMENTAL STAFF PROPOSAL**

This ruling invites parties to file opening comments on the Clean Miles Standard Phase 1 Supplemental Staff Proposal by June 7, 2023 and file reply comments by June 26, 2023.

1. Background

On September 13, 2018, Governor Newsom signed Senate Bill (SB) 1014 (Skinner), Stats. 2018, ch. 369 to enact the California Clean Miles Standard and Incentive Program (Clean Miles Standard). SB 1014 added Section 5450 to the Public Utilities Code to require the California Air Resources Board (CARB) to adopt, and the Commission to implement, annual targets to reduce greenhouse gas emissions by transportation providers regulated by the Commission that provide prearranged transportation services for compensation using an online-enabled application or platform to connect passengers.

CARB submitted the Clean Miles Standard Final Regulation Order to the Office of Administrative Law for approval on March 8, 2022. The Office of Administrative Law approved CARB's final regulation order on October 1, 2022.

On November 18, 2021, the Commission opened this proceeding to implement the Clean Miles Standard. On April 8, 2022, the Commission issued a scoping memo and ruling to establish the issues in scope and procedural schedule for Phase 1 of this proceeding.

On November 17, 2022, I issued a ruling to request comments on the Clean Miles Standard Phase 1 Staff Proposal.

2. Request for Party Comments

This ruling requests party comments on the Clean Miles Standard Phase 1 Supplemental Staff Proposal attached to this ruling (Supplemental Proposal).

Parties are encouraged to comment on the Supplemental Proposal and respond to the specific questions in the Supplemental Proposal.

IT IS SO RULED.

Dated May 10, 2023, at San Francisco, California.
