Member Resume

Jack Miller, Managing Partner

Service Company Solutions, LLC & SCS Communications, LLC

2022-Present SCS Communications, LLC

SCS Communications was formed in 2021 and started services January 1, 2022 as an FCC Registered, Internet Telephony Service Provider. We are a 100% Cloud-Based, VoIP Services, Fully Managed Solution. We manage our customers' entire PBX, programming, hosting (AWS & Msoft Azure) and provide live support second to none. We contract with Same Day Service Co., Inc. for our infrastructure, engineering, and technical support services.

We have worked with Same Day Service (SDS) since the start of the parent company Service Company Solutions. They have provided and expanded their service offerings to both our parent company and our subsidiaries. SDS has certified engineers in both PBX and Networking services.

SCS and SDS pride ourselves on; the quality of service, our focus on security of our clients data, and quick response times to customers needs. We provide as many redundancies as is cost effective and eliminate many single points of failure for our customers.

Being cloud-base allows our customers to work remote, use apps on their cell phones, turn their computers, laptops and tablets into office phones removing the need for "copper lines" and expensive onsite PBX equipment.

We continue to focus on our core client base of Service Company Solutions, LLC which is the Home Services Industry.

2009 – Present Service Company Solutions, LLC/M-Prove Marketing, LLC

Service Company Solutions was originally started as M-Prove Marketing, LLC, a marketing company, and in 2010 we started Service Company Solutions as a subsidiary for new software-based products that we had developed to help our customers. In 2015 we merged the two companies into Service Company Solutions, LLC and discontinued our Marketing Services & M-Prove Marketing Name. We continue to enhance our software and solutions that we provide for our customers.

1991 -2008 JRM Studios/Miller Printing/Miller Copy Center/Miller Image Group

Graphic Design/Printing/Digital Imaging/Marketing/Direct Mail/Advertising Services

I started as a freelance graphic artist and over the first few years of my business/career I saw needs and expanded my own offerings. I purchased a printing company, started a digital copy center and over time added direct mailing services, advertising and marketing campaigns and was in the early stages of online marketing with websites, SEO, Google AdWords etc.

I recognized a few years before we started M-Prove Marketing & Service Company Solutions that digital services were the future and that the old print technology was becoming a thing of the past.
