Attorney for
PACIFIC GAS AND ELECTRIC COMPANY

**PACIFIC GAS AND ELECTRIC COMPANY’S (U 39 E)
PUBLIC SAFETY POWER SHUTOFF EVENT REPORT FOR
JULY 2-3, 2024
AMENDED GEODATABASE FILE AND FIGURES**

(ATTACHMENT A FILED on ARCHIVAL GRADE DVD)

In compliance with the Safety and Enforcement Division’s August 13, 2024 email, Pacific Gas and Electric Company (PG&E) hereby amends its July 2-3, 2024 Public Safety Power Shutoff (PSPS) Event Report (“event report”), specifically the PSPS Event Polygon of De-Energized Areas Geodatabase File and Figures 2 and 16 in the PSPS Post-Event Report PDF, originally filed with the Docket Office on July 18, 2024.

PG&E’s PSPS Event Polygon of De-Energized Areas Geodatabase File, attached hereto as Attachment A, has been prepared in accordance with Section 3.2 and Section 3.3 of the PSPS Post-Event Reports Template, that was issued to the IOUs in October 2021, and further aligned with Table B-1, located in the July 2-3, 2024 PSPS Post-Event Report. Attachment A will be filed via archival grade DVDs and omitted from the e-filing due to the format and file size of attachments.

PG&E’s Figure 2: De-energization Footprint Map and Figure 16: Map of Fire Index Area & Time-Places De-energized for July 2-3, 2024 PSPS have been adjusted to show only the de-energized counties.

Pursuant to the October 14, 2021 email ruling of Administrative Law Judge Valerie Kao, PG&E hereby provides the following link to access and download the attachments and appendices to its Report: https://www.pge.com/en_US/residential/outages/public-safety-power-shutoff/psps-reports.page.
