Good morning, Judge McCarthy Wilson,

On September 25, 2024, undersigned counsel was advised by Martin Nakahara that the Amended Application was no longer timely, as it was due August 2, 2024. Thus, a motion for extension to file is required.

Pursuant to Rule 11.6, this Motion for Extension to Late File the Amended Application for a Certificate of Public Convenience and Necessity is made by email. No other parties are affected by this Motion. Good cause exists for the grant of this Motion as the underlying filing, in substantive form, was timely filed, and grant of an extension will allow procedural defects to be cured.

Respectfully submitted,
