Subject: RE: Email ruling granting Cal Advocates' request to set December 4,
2024 deadline for comments on Motion and entering SPD report into the A.24-05-
008 record.

To the Parties and Service List for A.24-05-008:

This ruling grants the November 27, 2024 Motion of the Public Advocates Office at the California Public Utilities Commission's (Cal Advocates) to amend the A.24-05-008 proceeding schedule to allow parties to file opening and reply comments on PG&E's RAMP report and SPD's report on December 6, 2024, and December 17, 2024, respectively.

On November 27, 2024, Cal Advocates filed and served a motion (Motion) to amend the proceeding schedule to allow formal comments on Pacific Gas and Electric Company's (PG&E) 2024 Risk Assessment and Mitigation Phase (RAMP) Report. On December 2, 2024, Cal Advocates served a request that the comment period on this Motion be set to conclude December 4, 2024, in order to allow parties to file opening and reply comments on both the Safety Policy Division's (SPD) Report and on PG&E's RAMP Report. On December 2, 2024, the request to conclude the period for response to this Motion on December 4, 2024 was granted by the Assigned ALJ's email ruling.

On December 4, 2024, PG&E timely filed and served response to Cal Advocates' Motion.

Upon review of Cal Advocates' motion and PG&E's response, I find that granting Cal Advocates' Motion will promote the fair and efficient resolution of this application.

Cal Advocates' November 27, 2024 Motion to amend the A.24-05-008 proceeding schedule is granted.

IT IS SO RULED.

THE DOCKET OFFICE SHALL FORMALLY FILE THIS RULING.

Subject: Email ruling granting Cal Advocates' request to set December 4, 2024 deadline for comments on Motion and entering SPD report into the A.24-05-008 record.

To the Parties and Service List for A.24-05-008:

This ruling sets December 4, 2024 as the deadline for responses to the Public Advocates Office at the California Public Utilities Commission's (Cal Advocates) November 27, 2024 motion (Motion) and enters the attached SPD report into the record of this proceeding.

On November 27, 2024, Cal Advocates filed and served the Motion to allow comments on Pacific Gas and Electric Company's (PG&E) 2024 Risk Assessment and Mitigation Phase (RAMP) Report. The August 8, 2024 Assigned Commissioner's Scoping Memo and Ruling sets December 6, 2024 as the due date for Opening Comments. On December 2, 2024, Cal Advocates served a request that the comment period on this Motion be set to conclude December 4, 2024, in order to allow parties to file opening and reply comments on both the Safety Policy Division's (SPD) Report and on PG&E's RAMP Report.

Any comments on Cal Advocates' November 27, 2024 Motion shall be submitted by December 4, 2024.

On November 8, 2024, at 6:02 PM, SPD served a final corrected version to the evaluation report that it initially served at 2:46 PM on November 8, 2024.

Consistent with previous RAMP applications, this ruling enters the version of SPD's Report sent at 6:02 PM into the record of this proceeding.

IT IS SO RULED.

THE DOCKET OFFICE SHALL FORMALLY FILE THIS RULING.

Subject: RE: A.24-05-008: Request for ALJ to Set December 4 as Deadline for Responses to Motion

Administrative Law Judge Regnier and Service List for A.24-05-008,

As discussed in the e-mail chain below, opening and reply comments on the Safety Policy Division (SPD) Report are due on December 6, 2024, and December 17, 2024, respectively. However, the current schedule does not allow for formal comments on PG&E's RAMP Report.

Last week, Cal Advocates filed the attached motion. In this motion, Cal Advocates requests that the Commission allow formal comments on PG&E's RAMP Report. Specifically, Cal Advocates requests that the Commission amend the proceeding schedule to allow parties to file opening and reply comments on SPD's report and PG&E's RAMP Report on December 6, 2024, and December 17, 2024, respectively.

To ensure that the Commission can rule on this motion before the December 6 deadline for opening comments, Cal Advocates requests that your Honor set December 4, 2024, as the deadline for responses to this motion. Although PG&E opposes Cal Advocates' request to allow formal comments on PG&E's RAMP Report, no parties oppose setting December 4, 2024, as the deadline for responses to the attached motion. Thanks in advance for your consideration.

Very kind regards,

Angela Wuerth

Subject: RE: [EXTERNAL] RE: Procedural Clarification for Opening Comments in A.24-05-008

Administrative Law Judge Regnier and Service List for A.24-05-008,

Cal Advocates, MGRA, and EPUC/IS jointly respond to PG&E's November 18, 2024 email with the following information. In the three most recent Risk Assessment and Mitigation Phase (RAMP) proceedings, the scoping memo stated that opening comments could address both the utility's RAMP filing and the Safety Policy Division (SPD) report. (A.20-06-012, A.21-05-011 / A.21-05-014, and A.22-05-013.) Therefore, we respectfully disagree with PG&E's statement that the opening and reply comments in this proceeding should be limited to the SPD report.

Also, in each of the last three RAMP proceedings, opening and reply comments were filed in the docket and served on the service lists for the proceedings. Cal Advocates, MGRA, and EPUC/IS jointly recommend that opening and reply comments be filed in the docket of this proceeding and served on the service list.

Very kind regards,

Angela Wuerth

CAUTION: This email originated from outside of the organization. Do not click links or open attachments unless you recognize the sender and know the content is safe.

ALJ Regnier:

The Scoping Memo clearly states that the purpose of the December 6 comments and December 17 reply comments is limited to "Opening Comments on the SPD Report" and "Reply Comments on the SPD Report." Furthermore, pursuant to the Scoping Memo, Cal Advocates already submitted its comments on PG&E's RAMP report on October 9, 2024. Accordingly PG&E respectfully disagrees that the scope of the December 6 and December 17 comments and reply comments should be expanded beyond the SPD report to PG&E's RAMP generally.

Thank you,

Administrative Law Judge Regnier and Service List for A.24-05-008,

According to the schedule for this proceeding, opening comments on the Safety Policy Division (SPD) Report are due on December 6, 2024. Cal Advocates would like your guidance on whether these opening comments can address PG&E's Risk Assessment and Mitigation Phase (RAMP) filing, in addition to the SPD Report, and whether these comments should be filed in the docket for this proceeding and served on the service list. Thanks in advance for your assistance.

Very kind regards,

A.24-05-008 ALJ/JR7/jds

Angela
