**CAUTION:** This email originated from outside of the organization. Do not click links or open attachments unless you recognize the sender and know the content is safe.

Your Honor,

Pursuant to Rule 16.4 (g) of the Commission's Rules of Practice and Procedure, Suburban Water Systems seeks permission to file a reply to the response of the Public Advocates Office to Suburban's Petition for Modification of D.24-12-030, to be due March 3, which is 10 days after the last day for filing responses. In addition to responding to the issues that Suburban raised in its Petition, the Public Advocates Office includes in its response an extensive list of additional projects that it claims were incorrectly included in the Water Division revenue model. Granting Suburban permission to file a reply will ensure that the Commission has all of the information necessary to determine whether and how to modify D.24-12-030.

Thank you for your attention to this matter.
