**Subject:** Email Ruling Granting Schedule Amendment (R.21-06-017)

To the Parties of R.21-06-017:

This email ruling grants the schedule modification requested by the Interstate Renewable Energy Council (IREC) on February 18, 2025.

On February 7, 2025, the first paragraph of the Assigned Commissioner's and Administrative Law Judge's Ruling Seeking Additional Information from Parties, Setting Forth Further Direction, and Modifying Schedule for Track 3 (High-DER Ruling) established periods of 20 days for the filing of responses and 5 days from the filing of responses for the filing of replies.

On February 18, 2025, IREC requested a schedule modification that would establish March 13, 2025 as the date for submitting Opening Comments and March 27, 2025 as the date for submitting Reply Comments. This request indicated support from all the responding parties. This request also noted that the additional time will allow for parties to provide better comments.

Good cause shown, this email ruling grants IREC's February 18, 2025 request. Opening Comments to the High DER Ruling shall be due on March 13, 2025. Reply Comments to the High-DER Ruling shall be due on March 27, 2025.

**IT IS SO RULED.**

THE DOCKET OFFICE SHALL FORMALLY FILE THIS DOCUMENT.

**Subject:** [EXTERNAL] R.21-06-017 (High DER OIR): Proposed Extension of Time  
for Opening and Reply Comments on February 7, 2025 ALJ Ruling

**CAUTION:** This email originated from outside of the organization. Do not click links or open attachments unless you recognize the sender and know the content is safe.

Dear Administrative Law Judges Lakhanpal and Regnier:

Pursuant to CPUC Rule 11.6, the Interstate Renewable Energy Council, Inc. (IREC) respectfully requests an extension of time for parties to submit Opening and Reply Comments on the February 7, 2025 Ruling from your honors and Commissioner Houck Seeking Additional Information from Parties, Setting Forth Further Direction, and Modifying Schedule for Track 3 (High DER Ruling). In a separate request, IREC is concurrently requesting an extension for the related ruling from Administrative Law Judge Regnier in the Energization Timelines OIR (R.24-01-018) (Energization Ruling).

The High DER Ruling sets forth seven questions concerning long-term requirements and policy considerations for static (firm) and dynamic (non-firm) Flexible Service Connections. IREC believes these are valuable questions and looks forward to a robust discussion. But it is critical to develop a good record, and additional time is needed for parties to provide reasoned answers to these questions. Further, many parties will be concurrently preparing answers to the related questions in the Energization Ruling. The additional time that IREC seeks will allow parties to provide better comments in both dockets.

IREC proposes to extend the deadline for submitting opening and reply comments by two weeks as follows:
