Subject: R.24-09-012 (Gas System Planning): Ruling Partially the Joint IOUs Motion for Extension of Time to Provide Comments to the 2/20/2025 ALJ Ruling on Senate Bill 1221 Mapping Staff Proposal

Email Ruling (R.24-09-012) Partially Granting the Joint IOUs Motion for Extension of Time to Provide Comments to the 2/20/2025 ALJ Ruling on Senate Bill 1221 Mapping Staff Proposal.

On February 25, 2025, pursuant to Rule 11.6 of the California Public Utilities Commission's Rules of Practice and Procedure, Southern California Gas Company, San Diego Gas & Electric Company, Pacific Gas and Electric Company, and Southwest Gas Corporation (collectively the Joint Investor-Owned Utilities or IOUs) submitted a motion requesting a two-week extension to the due dates for opening and reply comments on the February 20, 2025, Administrative Law Judge's Ruling on Senate Bill 1221 Mapping Staff Proposal and Directions to Utilities. The motion requests to extend the due dates for opening comments from March 4 to March 18 and reply comments from March 11 to March 25.

The Joint IOUs advised parties of their intent to submit this Rule 11.6 request. The following parties support the request: Small Business Utility Advocates, Southern California Edison Company, Marin Clean Energy, Joint CCAs, and the Public Advocates Office. The following parties do not oppose or object to the request: Indicated Shippers, Middle River Power, and San Diego Community Power. The motion can be found below in this email ruling.

We appreciate parties' goal to provide meaningful comments on the issues raised in the Staff Proposal. We also appreciate that the Joint IOUs made this request with the knowledge that Public Utilities Code Section 661 requires them to submit their maps to the Commission on or before July 1, 2025. However, we do not find good cause exists to support a two-week extension. The Scoping Memo schedules another opportunity for parties to comment on the Section 661's mapping issues once the utilities complete their maps. Therefore, final determination of Section 661's mapping requirements will be informed not only by party comments on the initial staff proposal, but also on utilities' actual implementation.

Therefore, we grant a one-week extension for opening and reply comments to the documents in the February 20, 2025 Administrative Law Judge's Ruling. Opening comments shall be due on March 11, 2025, and reply comments shall be due March 18, 2025. Additionally, opening comments shall be limited to 15 pages, and reply comments limited to 10 pages.

The Parties shall comply with Rule 11.6 in the opening paragraph of any document being tendered for filing pursuant to the extension granted in this ruling by indicating that the Administrative Law Judges have granted the extension.

IT IS SO RULED.

THE DOCKET OFFICE SHALL FORMALLY FILE THIS RULING.

Subject: [EXTERNAL] R.24-09-012 - Rule 11.6 Request for Extension of Time to Respond to 2/20/2025 ALJ Ruling

CAUTION: This email originated from outside of the organization. Do not click links or open attachments unless you recognize the sender and know the content is safe.

Greetings ALJs Van Dyken and Purchia (and members of the service list),

Pursuant to Rule 11.6 of the California Public Utilities Commission's Rules of Practice and Procedure, Southern California Gas Company, San Diego Gas & Electric Company, Pacific Gas and Electric Company, and Southwest Gas Corporation (collectively the Joint Investor-Owned Utilities or IOUs) hereby request a two week extension on the due dates for opening and reply comments on the Staff Proposal which were set forth in the February 20, 2025, Administrative Law Judge's Ruling on Senate Bill 1221 Mapping Staff Proposal and Directions to Utilities. The proposed extension requests to extend the due dates for opening comments from March 4 to March 18 and reply comments from March 11 to March 25. Good cause exists to support this request. The SB 1221 Mapping staff report constitutes a very significant proposal to implement novel statutory requirements that must be thoughtfully considered in a thorough manner to inform determinations. The Joint IOUs respectfully request this additional time for parties to develop more meaningful comments given the importance and complexity of the issues raised in the Staff Proposal. In addition, there are concurrent efforts for opening and reply comments on Interim Actions due March 14 and March 31 that are likewise impacting resources and timing.

The Joint IOUs advised parties of their intent to submit this Rule 11.6 request. The following parties support the request: Small Business Utility Advocates, Southern California Edison Company, Marin Clean Energy, Joint CCAs, and the Public Advocates Office. The following parties do not oppose or object to the request: Indicate Shippers, Middle River Power, San Diego Community Power.

Thank you for your consideration.

Edward L. Hsu
