**Subject:** A. 19-11-019 and A. 20-10-011: Email Ruling Granting PG&E's Request for Four Additional Days to Respond to Parties' Filings

To the Service Lists of A. 19-11-019 and A. 20-10-011:

This is an email ruling responding to Pacific Gas and Electric Company (PG&E)'s emailed request for additional time to reply to responses filed to its petition for modification (PFM) of Decision (D.) 21-11-017, which was sent to the service list on March 10, 2025.

PG&E's PFM of D. 21.11-017 was filed on February 7, 2025.

On March 6, and March 7, 2025, respectively, Electrify America (EA) and the Vehicle Grid Integration Council (VGIC) provided timely responses to PG&E's PFM of D.21-11-017.

On March 10, 2025, PG&E requested time to reply to legal, regulatory, and factual assertions in the EA and VGIC responses, and to respond to alternatives suggested by VGIC and to evaluate and respond to new information presented in the parties' responses.

A.19-11-019, et al. ALJ/CS8/jds

The Commission's Rules of Practice and Procedure (Rule) Rule 16.4 (g) provides 10 days to reply to responses to PFMs, with the ALJ's permission, which would be Monday, March 17.

Rule 16.4( g) also allows the ALJ to authorize a different due date. PG&E requests an additional 4 days to reply, to Friday, March 21, to file and serve its reply.

I find it reasonable to provide PG&E an additional four days to review the information provided by other parties regarding its petition to modify D. 21-11-017, providing the applicant some incremental time to review and respond to the parties' responses in its reply.

IT IS RULED: PG&E must provide its response to EA and VGIC's responses to PG&E's PFM of D. 21-11-017 no later March 21, 2025.

The Docket office shall formally file this ruling.
