R.23-01-007 Email Ruling Granting CUE's Request to Late-File Reply Comments

This email ruling grants the request by the Coalition of California Utility Employees (CUE) to late-file reply comments on the proposed decision in R.23-01-007.

In accordance with Rule 11.6 of the Commission's Rules of Practice and Procedure, CUE requested permission by e-mail to late-file reply comments. In its request below, CUE explains that due to a clerical error, CUE inadvertently filed and served the wrong document on the reply comments due date, March 25, 2025.

CUE's request should not prejudice any party. CUE's request to late-file reply comments is granted. CUE must file and serve the correct document today, March 26, 2025.

It is so ruled.

The Docket Office shall formally file this email ruling.

ALJ Atamturk:

On behalf of the Coalition of California Utility Employees (CUE), I am requesting permission to late-file CUE's reply comments on the proposed decision in R.23-01-007.

CUE filed and served comments on the service list for R.23-01-007 before the deadline on 3/25. However, due to a clerical error, CUE inadvertently filed and served the wrong document. To

ensure CUE's comments are taken into consideration by the Commission, we would like to file and serve the correct document on parties today.

If granted permission to late-file our comments, please let us know whether we should change the date on our comments to 3/26 or leave as 3/25.

Thank you,  
Darion
