Application of Pacific Gas and Electric

Adjustment

(U 39 M)

Application No. 24-08-004  
(Filed: August 5, 2024)

**JOINT FILING OF PACIFIC GAS AND ELECTRIC  
COMPANY, THE UTILITY REFORM NETWORK, THE  
ENERGY PRODUCERS AND USERS COALITION AND  
INDICATED SHIPPERS PROVIDING STATUS UPDATE**

Pursuant to the April 15, 2025 Assigned Administrative Law Judge’s “Ruling Directing the Filing of Stipulated Facts and Proposed Witness Schedule and Setting Remote Evidentiary Hearings” (Ruling), Pacific Gas and Electric Company (PG&E), The Utility Reform Network (TURN) and the Energy Producers and Users Coalition and Indicated Shippers (EPUC/IS) (collectively the “Parties”) jointly submitted the filing on April 21, 2025 on proposed witness schedule, speaker names, and also included an Exhibit List. Pursuant to that filing, the Parties agreed to provide this status update.<sup>1</sup>

EPUC/IS and PG&E have now reached agreement to waive cross examination of witnesses and stipulate to the entry of additional discovery, which were previously noted with placeholders in the original Exhibit List.

Given the waiver, the Parties no longer intend any cross examination, thus rendering unnecessary the previously provided Witness Order and Schedule, and Speaker Names. A Revised Exhibit List is provided in Attachment A. The Revised Exhibit List drops the prior placeholder for a possible PG&E exhibit that would have included a TURN data request response.

Finally, in our April 21, 2025 filing, the Parties expressed our intentions to present oral

motions to seal confidential materials. Given waiver of hearings, Parties now intend to submit written motions for this purpose by Tuesday April 29, 2025.

Respectfully Submitted,
