Subject: [EXTERNAL] R.25-04-010: Rule 11.6 Extension Request to File Comments on Potential and Goals Study for 2026

CAUTION: This email originated from outside of the organization. Do not click links or open attachments unless you recognize the sender and know the content is safe.

Good Afternoon, Administrative Law Judges Fitch and Kao,

On behalf of Southern California Gas Company (SoCalGas), and pursuant to Rule 11.6, SoCalGas requests an extension of time to file comments to the Chief ALJ's Ruling Inviting Comments to Potential and Goals Study for 2026 and Beyond, currently due May 19, 2025, with reply comments due May 26, 2025. For the reasons stated below, SoCalGas seeks a one-week extension to instead file comments on or before **May 27, 2025, with reply comments correspondingly pushed back a week to June 3, 2025**.

A significant reason underpinning this request for an extension is that Comments on this OIR (for R.25-04-010) are also due on May 19. Given that comments on the OIR are due as the same date as comments to the Chief ALJ's Ruling Inviting Comments to Potential and Goals Study for 2026 and Beyond – which our Company first received the afternoon of May 5th – SoCalGas believes it will be in a better position to provide meaningful comments if the due date is not the same date for both filings.

Pursuant to Rule 11.6, on May 7, 2025, SoCalGas made a good faith effort to ask Parties if they agree to the extension. SDG&E, BayREN, 3C-REN, and San Diego Community Power, on behalf of San Diego Regional Energy Network, support the extension request. No party opposed a request for an extension.

Thank you for your consideration of this motion for an extension.
