 - b. Speak clearly and slowly so the hearing reporter can record your statements.
 - c. The hearing reporter will interrupt speakers, if possible, when there is an inaudible statement and the reporter will insert the word "inaudible" in the transcript when there is an indecipherable audio transmission.
 - d. Mute your phone line when not speaking to minimize audio distractions.
 - e. Use headphones/earbuds to ensure best audio quality – Please do not use a speaker phone.
 - f. Do not cross-talk. In the case of any cross-talking, the court reporter may insert the words "cross-talking" in the transcript.
2. Service List: Changes and Additions. Parties who wish to make changes or additions to the service list should send the "Addition/Change of Official Service List" form to both the process office at processoffice@cpuc.ca.gov and alj_reporting@cpuc.ca.gov prior to the conference. The form can be found at: <https://www.cpus.ca.gov/-/media/cpus-website/divisions/administrative-lawjudge-division/documents/additiontoservicelisttranscriptordercompliant.pdf>. You may also email the Chief Hearing Reporter at reporting@cpuc.ca.gov.
3. Transcripts. Persons seeking expedited transcripts should advise the Chief Hearing Reporter via email at reporting@cpuc.ca.gov no later than three days prior to the prehearing conference.

Expedited transcripts will be provided at a cost and available 1-5 days following the prehearing conference. If a single party purchases an expedited transcript, the hearing reporter will send an email to notify the service list when the

transcript is available on proceeding's docket card on the Commission's website. If no party requests an expedited transcript, the hearing reporter typically provides notice of the public availability of the transcript approximately 8 weeks after the prehearing conference.

It is so ruled.
