NOTICE OF APPEAL

Carey Limousine S.F. Inc. hereby files this Notice of Appeal from the Citation issued on or about September 10, 2025 with a fine amount of \$20,000.

The rationale for the appeal is as follows:

1. Carey disputes that it utilized a sub-carrier in violation of G.O. 157-E, Part 3.04 without any valid sub-agreement. Instead, Carey contends that it previously provided the Department with copies of compliant sub-carrier agreements for all of the carriers utilized by Carey for the time period at issue.

2. Carey further disputes that it was in violation of G.O. 157-E, Part 1.06, Pub. Util. Code § 5374.5 or Cal. Veh. Code § 34501. Carey contends that it made every reasonable request to have the vehicles for any sub-carriers utilized during the time period in question with the California Highway Patrol ("CHP"). However, the CHP was not available to conduct such bus inspections prior to the event in question.

3. Carey further disputes that it failed to provide the Department with waybills containing all of the required information under G.O. 157-E, Part 3.01 for the time period in question.

IN WITNESS WHEREOF, Carey Limousine S.F. Inc. hereby files its Notice of Appeal as of September 29, 2025, electronically, pursuant to the Department's instructions.
