(2026 COC): E-mail ruling Marking, Identifying, and Admitting Exhibits and Granting Filing Under Seal

*** This e-mail ruling supersedes the October 2, 2025, e-mail ruling at 3:23 to include the reference to the Protect Our Communities Foundation's October 2, 2025, opposition to the September 19, 2025, amended motion of Southern California Edison

Parties to Application 25-03-010, et al.:

On September 19, 2025, Southern California Edison moved to seek admission of two exhibits (amending a September 18, 2025, motion). In this e-mail ruling, I will mark and identify the two exhibits for which Southern California Edison sought admission.

The following Exhibit appended to Southern California Edison's September 19th, 2025, amended motion in Appendix A, identified as "S&P Global Ratings, Edison International And Subsidiary Downgraded To 'BBB-' On Smaller Than-Expected Wildfire Fund; Outlook Is Negative, September 17, 2025, - Public Version" shall be marked as "Exhibit SCE-09."

The following Exhibit appended to Southern California Edison's September 19th, 2025, amended motion in Appendix B, identified as "S&P Global Ratings, Edison International And Subsidiary Downgraded To 'BBB-' On Smaller Than-Expected Wildfire Fund; Outlook Is Negative, September 17, 2025, - Confidential Version" shall be marked as "Exhibit SCE-09C." SCE sought confidential treatment of Exhibit SCE-09C for a period of three years.

Also on September 19, 2025, Environmental Defense Fund filed a response to the amended Southern California Edison motion. Additionally, on October 2, 2025, the Protect Our Communities Foundation filed an opposition to the September 19, 2025, amended motion.

The amended motion filed by Southern California Edison on September 19, 2025, is granted. Exhibit SCE-09 shall be received into the evidentiary record of the proceeding. Exhibit SCE-09C shall be received into the evidentiary record of the proceeding under confidential seal for a period of three years.

It is so ruled.

The Commission's Docket Office shall formally file this ruling.
