**BEFORE THE PUBLIC UTILITIES COMMISSION
OF THE STATE OF CALIFORNIA**

Jim Irizarry,

Complainant,

vs.

Pacific Gas and Electric Company (U 39 E)
Defendant.

C.23-02-003
(Filed February 10, 2023)

**TWENTIETH JOINT STATUS REPORT OF PACIFIC GAS AND ELECTRIC
COMPANY (U 39 E) AND JIM IRIZARRY**

Pursuant to the Administrative Law Judge's Ruling Setting Briefing Schedule for Defendant's Motion to Dismiss (Ruling) issued on March 3, 2025, Defendant Pacific Gas and Electric Company (PG&E) and Complainant Jim Irizarry (Mr. Irizarry) submit this twentieth joint status report.¹

1. Update on Settlement Negotiations

Consistent with the last two status updates, the parties have agreed that after their extensive negotiations lasting over two years, they had unfortunately reached an impasse as to the last issue remaining in the case (Scoping Issue No. 2). That is still the current status.

Mr. Irizarry submits that this proceeding should receive a new hearing schedule at this time.

PG&E's position is that if its motion to dismiss is denied, this proceeding should receive a hearing schedule.

2. Updates to Prior Joint Status Reports

There are no updates to the prior report at this time.

¹ "The Parties shall continue settlement efforts. If the Parties have not resolved all disputed issues, they shall continue to meet and confer, and on or by the first Friday of each month thereafter, Defendant must continue to file an updated Joint Status Report on behalf of the Parties." Ruling at 6.

3. **Identification of Remaining Disputed Issues**

Only Scoping Issue No. 2 remains: Whether Defendant must bear all costs of removing one or more power poles located on or adjacent to Complainant's property at Complainant's request.

4. **Identification of All Anticipated Motions**

None at this time.

Respectfully submitted,
