Dear parties to A.24-12-009 (Energy efficiency market transformation initiatives application):

This email ruling grants the motion for party status (motion) of Cohen Ventures, Inc., doing business as Energy Solutions. This motion for party status was filed on October 13, 2025, in accordance with Rule 1.4 of the Commission's Rules of Practice and Procedure. This motion came in after a proposed decision and alternate proposed decision were issued addressing all of the pending issues in the proceeding. However, because the motion makes clear that some provisions in the proposed decision, if not clarified, could have a direct impact on the programs being implemented by Cohen Ventures, Inc., dba Energy Solutions, I will grant the motion in this case, in order to have the opportunity to clarify the language referred to in the motion.

Therefore, IT IS RULED that:

- The October 13, 2025 Motion for Party Status of Cohen Ventures, Inc., dba Energy Solutions is granted.

The Docket Office shall formally file this ruling.

Due to the size of the service list, this email is being distributed in several batches, to avoid rejection by servers.
