Subject: P2509009 (Re PUC Sec. 783.5) Email Ruling Directing Service of Petition and
Setting Response Date

To the Service List for P25-09-009:

Pursuant to Public Utilities Code Section 1708.5, Center for Biological Diversity, Center on Race, Poverty & the Environment, Central California Asthma Collaborative, and Leadership Counsel for Justice & Accountability (Petitioners) filed a Petition requesting the Commission to open a rulemaking to implement provisions of Public Utilities Code Section 783.5, which the Petition describes as Phase III of the San Joaquin Valley proceeding (Rulemaking (R.) 15-03-010).

This Petition was accepted by the Commission's docket office as filed on September 3, 2025.

Rule 6.3(c) of the Commission's Rules of Practice and Procedure require the service of the Petition on relevant existing service lists. No certificate of service verifying the service of the Petition on any persons or entities was included with the Petition. To correct this matter and pursuant to Rule 6.3(c) of the Commission's Rules of Practice and Procedure, Petitioners are directed to serve the Petition and a Certificate of Service on the following Commission service list: R.15-03-010. This directive is reasonable because according to the Petition, no certificate verifying the service of the Petition on any persons or entities was included. To support the Commission's efforts to promptly address the request set forth in the Petition, the Petitioners shall serve the Petition **within 3 days of today's ruling** on the service list for R.15-03-010. Going forward, the names and entities on the service list for R.15-03-010 will be used to create a new service list for this Petition proceeding. Any parties seeking to add or correct the information on the newly created service list shall do so promptly.

In addition, pursuant to Rule 6.3(d), this ruling extends the filing deadline for responses to this Petition and set the deadline as follows: Responses shall be filed

on or before 15 days from the date of service of the Petition. Extending the date for responses is reasonable because according to the formal filing the Petitioners did not properly serve the Petition.

A copy of this ruling is being sent to the service list for R.15-03-010.

IT IS SO RULED.

The docket office shall file this ruling. The process office shall add all the name and entities set forth on the service list for R.15-03-010 to this proceeding, P.25-09-009.
