Subject: Rulemaking (R.) 24-05-023: Re-issuance of Ruling Modifying Track 2

To Parties of Rulemaking (R.) 24-05-023, this ruling is being issued due to a typographical error:

Summary

Pursuant to Section 1701 of the Public Utilities Code and Rule 11.6, this email ruling grants the motion for extension of time requested by Pacific Gas and Electric Company, Southern California Edison Company, and San Diego Gas & Electric Company (collectively, Joint IOUs) regarding the deadline to submit the Joint Utility Customer Reliability Report Template (Template). The Joint IOUs shall submit the Template on December 15, 2025. Parties shall file and serve opening comments to the Template on January 9, 2026. Parties shall file and serve reply comments on January 26, 2026.

Pursuant to Rule 11.6, in the opening paragraph of the filing the Joint IOUs shall submit with the Template, the Joint IOU shall state that the extension of time was granted by the Administrative Law Judge assigned to this proceeding through this ruling.

Background

On August 22, 2025, the Assigned Commissioner and Administrative Law Judge issued a ruling (Ruling) modifying schedule of activities for Track 1. The Ruling directed the Joint IOUs to submit the Template on October 31, 2025. The Ruling directed opening comments to be submitted on November 14, 2025; with reply comments to be submitted on December 3, 2025.

On October 13, 2025, the Joint IOUs filed a motion requesting an extension of time to submit the Template. In their motion, the Joint IOUs stated that they sought feedback from the affected parties to this proceeding pursuant to Rule 11.6. Generally, no party opposed the extension of time request.
