Application 24-03-019

**ADMINISTRATIVE LAW JUDGE'S RULING GRANTING
JOINT MOTION FOR ADMISSION OF EXHIBITS INTO THE EVIDENTIARY
RECORD**

On October 6, 2025, pursuant to Rule 13.8(c) of the Commission's Rules of Practice and Procedure, Southern California Edison Company (SCE), Calstart, Inc. (Calstart), The Utility Reform Network (TURN), Center for Accessible Technology (CforAT), the Public Advocates Office at the California Public Utilities Commission (Cal Advocates), Small Business Utility Advocates (SBUA), California Farm Bureau Federation (CFBF), California City-County Street Light Association (CALSLA), California Large Energy Consumers Association (CLECA), Energy Producers and Users Coalition (EPUC), Electrify America, LLC (Electrify America), EVgo Services, LLC (EVgo), Vehicle-Grid Integration Council (VGIC), Walmart Inc. (Walmart), Western Manufactured Housing Communities Association (WMA), and Solar Energy Industries Association (SEIA) (collectively, the Joint Parties) submitted a Joint Motion for Admission of Evidence into the Evidentiary Record (Joint Motion). The Joint Parties represent all parties to the proceeding that have submitted prepared testimony.

On October 17, 2025, the Joint Parties filed an amendment to the Joint Motion filed on October 6, 2025. The amendment provided an Amended Joint

Exhibit List, which includes corrected information that was inadvertently omitted for some of the exhibits, including exhibit numbers and dates of submission.

The Joint Parties move that each of the exhibits identified in the Amended Joint Exhibit List be entered into the evidentiary record of this proceeding. The Joint Parties indicate that the testimony exhibits have been verified by the signed declarations and/or qualification statements of the sponsoring witnesses, as appropriate.

Finding good cause, I grant the Joint Motion. The exhibits identified in Attachment 1 (Amended Joint Exhibit List) to this ruling are admitted to the record.

This ruling is issued in accordance with Rule 11.1(g), which authorizes the assigned Administrative Law Judge to rule on a motion before responses or replies are filed.

IT IS SO RULED.

Dated October 29, 2025, at San Francisco, California.
