Pursuant to Rule 11.4 of the California Public Utilities Commission's Rules of Practice and Procedure, the California Community Choice Association¹ (CalCCA) hereby submits this motion for leave to file under seal the confidential version of its October 29, 2025 *California Community Choice Association's Comments on October Update / Concurrent Opening Brief* (Brief) in the above-captioned proceeding.

The Brief references confidential portions of the Documents or relates to market-sensitive information regarding SCE's projected market position on renewable energy credits and resource adequacy in 2025 and 2026, energy sales, as well as market-sensitive information regarding SCE's capacity portfolio. On October 28, 2025, SCE and CalCCA filed a joint motion to seal a portion of the evidentiary record, including all of the Documents. As that motion explains, the confidential treatment of the portions of the Brief referring to the Documents is appropriate for the reasons in the witness confidentiality declarations accompanying Ex.
