In the amount of (C) \$5000.00 issued by the California Public

NOTICE OF APPEAL

(D) Osama Rashed files this Notice of Appeal from the citation issued on (E) 09/08/2025 with a fine amount of (F)\$ \$5000.00.

An extension was granted by CPED (if applicable) to (G) 10/29/2025 to file this appeal.

The rationale for the appeal is as follows:

(H) This appeal is based on the fact that I do not operate as a Charter-Party Carrier following the revocation of my operating authority. My visits to SFO are solely for the Purpose of picking up or dropping off family members or friends, not for conducting any commercial transportation activities. It appears that CPED may have been misguided by a report submitted by SFO's GTU/GTC , which lead to the issuance of the citation. For these reasons, I Respectfully request that this citation to be reconsidered and dismissed, as it was issued based on an incorrect interpretation of my activities.

Dated (I) 10/29/2025, at (J) Millbrae, California.
