Subject: R1804018 Email Ruling Grants Request to late file Opening and Reply Comments

To Parties in R1804018:

This email Ruling grants the request of the Vermont Energy Investment Corporation (VEIC) to late file opening and reply comments in R1804018. In a November 12, 2025, procedural email, VEIC

explained several delays and errors that caused these filings to be late. The information describing the challenges contributing to the delays and errors are reasonable and the request is granted.

IT IS SO RULED

The Docket Office shall formally file this ruling.
